

Portsmouth Chapter No. 4356

At Portsmouth Chapter, our goal is to ensure that the fourth regular step in Freemasonry is an enjoyable and enlightening experience.

What more could you ask for in a chapter than a wealth of experience and a variety of characters who make you feel included and part of the team? This is precisely what Portsmouth Chapter offers in abundance. Consecrated in April 1925, we have proudly seen several members achieve Grand Rank from our membership. This Masonic wisdom, combined with our willingness to adapt to the evolving landscape of Royal Arch Freemasonry, sets us apart as a standout chapter in the South East area. Based at the Cosham Masonic Centre, which features an accessible car park, we are easy to reach.

We have embraced the challenge of membership growth wholeheartedly, welcoming members in their twenties through to those of pension age from diverse professional and ex-military backgrounds. Our vibrant WhatsApp group allows us to stay connected outside of meetings, while we focus our efforts on ceremonial work during our gatherings.

We meet four times a year and also hold social events in addition to our regular meetings. If you would like to learn more about becoming a part of this excellent team, we look forward to hearing from you.
