

## St. Mary Chapter No. 7304

### Profile

St. Mary Chapter meets at the Masonic Hall in Havant, Hampshire and was founded as the Companion Chapter of St. Mary Lodge in 1992 and retains close links to our 'home' Craft Lodge even though around half of our active Companions now come from other Lodges. Originally, our membership was drawn almost exclusively from members of St. Mary Lodge and our mother lodge, Hayling Island Lodge, though we now have a diverse membership of members from several Lodges. We retain the good spirited camaraderie of St. Mary Lodge while adopting the ethos and companionship of Royal Arch Masonry and welcome all Craft Masons for whom fellowship is a pleasure and enjoyment is a goal. Although we are based in Havant at the far east side of Hampshire, our membership is drawn from every corner of the County as well as from other counties, with many members liking the opportunity of completing their journey in pure antient freemasonry in a different Centre to their Mother Lodge. St. Mary Chapter meets formally just 3 times a year and have 3 General Purpose Committee meetings to discuss and arrange the agendas for those 3 formal meetings. For further information contact [name, email and phone numbers]
