

TAVERNERS CHAPTER No. 7442

From the very beginning when Taverners Chapter was Consecrated on 22nd March 2017 the drive and motivation by the Founders was to create a Chapter that would not be insular and that would enthusiastically encourage Masons from all Lodges and Chapters to join.

This ethos has proved to be one of the main contributory factors in why Taverners Chapter has been, and continues to be, so successful.

Another very important element behind our success is our keenness to divide up the Ritual, which was wholeheartedly and vigorously supported by the Founders and which has proved to be a major element in ensuring that all of the Companions can enjoy a meaningful experience at each and every one of our Convocations.

The Founders wanted involvement from Members wherever possible and that is what has been achieved.

Another reason for the continuing success of Taverners Chapter is the close link it has with the Lodge with which it shares its name. The Founders had always hoped from the very beginning that the relationship between Taverners Lodge and Taverners Chapter would remain strong, which it certainly has and happily this bond is now unbreakable.

Companions of Taverners Chapter No.7442, both past and present have created a wonderful new Chapter have been handsomely rewarded by what we all now enjoy, which is a thriving, exciting and thoroughly rewarding Royal Arch experience, and long may that continue.

The Chapter meet at Purbrook on the second Tuesday of January, March, May and November. If you want to be part of the journey with us contact scribe-e.c7442@outlook.com or check out the Provincial Year Book and see which Taverners Companions you already know.
